Item 7.01 Regulation FD Disclosure

As previously disclosed in the Current Report on Form 8-K filed by QVC Group, Inc. (f/k/a QVC, Inc.) (the “Company”), on April 16, 2026, Old QVC Group, Inc. (f/k/a QVC Group, Inc.) and certain of its affiliates, including the Company (collectively, the “Company Parties”), filed voluntary petitions for relief (the “Chapter 11 Cases”) under Chapter 11 of Title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”) to implement a prepackaged plan of reorganization (the “Plan”). The Chapter 11 Cases were jointly administered for administrative purposes only under the caption *In re QVC Group, Inc. et al.* On July 20, 2026 the Bankruptcy Court entered an order confirming the Plan, and on August 6, 2026, the Plan became effective in accordance with its terms and the Company Parties emerged from the Chapter 11 Cases.

The Bankruptcy Code requires the Company Parties to file monthly operating reports relating to their financial condition and operations during the pendency of their Chapter 11 Cases. Accordingly, on September 21, 2026, each of the Company Parties filed with the Bankruptcy Court a monthly operating report, which included financial information as of August 5, 2026 and for the period beginning on August 1, 2026 and ending on August 5, 2026 (each, a “Monthly Operating Report” and, together, the “Monthly Operating Reports”). The Company’s Monthly Operating Report is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated into this Item 7.01 by reference. Copies of the other Company Parties’ Monthly Operating Reports are available at a website administered by the Company Parties’ claims, noticing and solicitation agent, Kroll Restructuring Administration LLC, at <https://restructuring.ra.kroll.com/QVC/Home-DocketInfo>.

The information in this Item 7.01 and in Exhibit 99.1 shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that Section, and shall not be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act regardless of any general incorporation language in such filing, except as shall be expressly set forth by specific reference in such filing.

Cautionary Note Regarding the Monthly Operating Reports

The Company cautions investors and potential investors not to place undue reliance upon the information contained in the Monthly Operating Reports, which were not prepared for the purpose of providing the basis for an investment decision relating to any securities of the Company. The Company Parties prepared the Monthly Operating Reports solely for purpose of complying with certain Bankruptcy Code requirements. The financial information contained in the Monthly Operating Reports was not audited or reviewed by independent accountants and has not been subject to procedures that would typically be applied to financial statements prepared in accordance with accounting principles generally accepted in the United States of America. The Company’s Monthly Operating Report also contains information for a period that is shorter and otherwise different from those required in the Company’s periodic reports pursuant to the Exchange Act, and such information might not be indicative of the Company’s financial condition or operating results for a period that would be reflected in the Company’s financial statements or in its reports pursuant to the Exchange Act. Furthermore, the Monthly Operating Reports are subject to future adjustment and reconciliation. As such, the Monthly Operating Reports should not be relied upon by any persons for information relating to current or future financial condition, events or performance of the Company and its subsidiaries. The results of operations contained in the Monthly Operating Reports are not necessarily indicative of results that may be expected from any other period or for the full year, and the information contained in the Company’s Monthly Operating Report may not necessarily reflect the Company’s consolidated results of operations or financial position or its receipts and disbursements in the future.

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORT
FOR THE PERIOD OF AUGUST 1, 2026 THROUGH AUGUST 5, 2026²**

On April 16, 2026 (the "Petition Date"), the above-captioned debtors and debtors in possession (each, a "Debtor," and collectively, the "Debtors" and, on and after the Plan Effective Date, the "Reorganized Debtors") filed voluntary petitions in the United States Bankruptcy Court for the Southern District of Texas (the "Court") commencing cases for relief under chapter 11 of the Bankruptcy Code (the "Chapter 11 Cases"). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 17, 2026, the Bankruptcy Court entered an order authorizing the joint administration of these Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b) under the lead case *In re QVC Group Inc.*, No. 26-90447 (ARP) [Docket No. 17]. On May 6, 2026, the United States Trustee for the Southern District of Texas (the "U.S. Trustee") appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code [Docket No. 198].

On July 20, 2026, the Bankruptcy Court entered the *Order (I) Approving the Debtors' Disclosure Statement for the Joint Prepackaged Plan of Reorganization of QVC Group, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code, (II) Confirming the Second Amended Joint Prepackaged Plan of Reorganization of QVC Group, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code, and (III) Granting Related Relief* [Docket No. 722] confirming the *Second Amended Joint Prepackaged Plan of Reorganization of QVC Group, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 389] (the "Plan"). On August 6, 2026 (the "Plan Effective Date"), the Effective Date of the Plan occurred, and the Debtors became the Reorganized Debtors.

The factual background regarding the Debtors, including their business operations, their capital

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://restructuring.ra.kroll.com/QVC>. The location of Debtor QVC Group, Inc.'s corporate headquarters and the Debtors' service address in these chapter 11 cases is 1200 Wilson Drive, West Chester, Pennsylvania 19380.

² A detailed description of the Debtors and their business, including the facts and circumstances giving rise to the Debtors' Chapter 11 Cases, is set forth in the *Declaration of Bill Wafford in Support of the Debtors' Chapter 11 Petitions and First Day Motions* [Docket No. 4] (the "First Day Declaration"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the First Day Declaration. Additional information about the Chapter 11 Cases, court filings, and claims information is available at the website maintained by the Debtors' claims and noticing agent: <https://restructuring.ra.kroll.com/QVC>.

Except where noted, the Debtors have prepared and filed the attached monthly operating report and the exhibits thereto (the "MOR") for the period including August 1, 2026 through August 5, 2026 (the "Reporting Period") with the assistance of their advisors solely for the purpose of complying with the monthly operating requirements applicable in the Debtors' Chapter 11 Cases and the instructions provided by the Office of the U.S. Trustee. The financial information contained herein is limited in scope, covers a limited time period, and is presented on a preliminary and unaudited basis. As such, the MOR has not been subject to procedures that would typically be applied to financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and does not include all of the information and footnotes required by U.S. GAAP. Upon the application of such procedures, the financial information could be subject to changes, which could be material.

Solely to comply with their obligations to provide MORs during these Chapter 11 Cases, the Debtors have prepared this MOR using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. The MOR generally reflects the operations and financial position of the Debtors on a non-consolidated basis, in a form not maintained by the Debtors in the ordinary course of their business and is not intended to fully reconcile to the consolidated financial statements prepared by the Debtors. Accordingly, the amounts listed in the MOR will likely differ, at times materially, from the historical consolidated financial reports. Because the Debtors' accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income, or expenses have been recorded on the correct legal entity.

The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any period other than the Reporting Period and may not necessarily reflect the Debtors' future consolidated results of operations and financial position. Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the Reporting Period. Except as may be otherwise noted, no adjustments have been made for activity occurring after the close of the Reporting Period.

The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. The MOR presents the Debtors' best estimates for the Reporting Period, but there can be no assurance that such information is complete, and the MOR may be subject to material revision. These notes, statements, and limitations should be referred to, and referenced in connection with, any review of the MOR, of which they comprise an integral and material part.

RESERVATION OF RIGHTS

The information furnished in this MOR includes normal recurring adjustments but does not

include all of the adjustments that typically would be made for interim financial statements presented in accordance with U.S. GAAP. In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors made commercially reasonable efforts to ensure the accuracy and completeness of the MOR, inadvertent errors or omissions may exist. Accordingly, the Debtors hereby reserve all rights to dispute the validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtors reserve the right to amend or supplement this MOR in all respects, if necessary or appropriate, but undertake no obligation to do so. Nothing contained in this MOR shall constitute a waiver or any of the Debtors' rights or an admission with respect to their Chapter 11 Cases or otherwise.

Specifically, nothing contained in this MOR shall constitute a waiver or admission by the Debtors in any respect nor shall this MOR or any information set forth herein waive or release any of the Debtors' rights or admission with respect to the Chapter 11 Cases or their estates, including with respect to, among other things, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the Bankruptcy Code, and/or causes of action under the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. The Debtors are reviewing their assets and liabilities on an ongoing basis, including, without limitation, with respect to intercompany claims and obligations, and nothing contained in this MOR shall constitute a waiver of any of the Debtors' or their affiliates' rights with respect to such assets, liabilities, claims, and obligations that may exist.

For the reasons discussed above, there can be no assurance that the consolidated financial information presented herein is complete, and readers are cautioned not to rely on the MOR for any reason.

The financial statements of the Debtors' non-Debtor affiliates have not been included in the MOR. Unless otherwise indicated, all amounts in the MOR are reflected in U.S. dollars.

SUPPORTING DOCUMENTATION AND CERTAIN ADJUSTMENTS, LIMITATIONS, METHODOLOGY, AND DISCLAIMERS

While the Debtors do not restate the above notes and reservations or rights in their entirety here, such notes and reservations apply to the entire MOR and each individual response or other item included in the MOR. In addition to such notes and reservations, the Debtors offer the following explanatory notes.

Debtors' Full-Time Employees. The Debtors have reported the number of full-time employees for each applicable Debtor using information from payroll payments made in August 2026.

Statement of Cash Receipts and Disbursements. Reported cash receipts and disbursements exclude intercompany and Debtor-to-Debtor transactions, as provided in the instructions to the MOR.

Balance Sheet & Statement of Operations. As noted above, the Debtors have historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtors continue to prepare and report financials in the ordinary course of their business. This information is not available for the Reporting Period. The Debtors have attached for reference the Balance Sheet and Income Statement for July 2026, which the Debtors believe is materially representative of financial records for the period from August 1 to August 5, 2026. This MOR is prepared on an entity-by-entity

basis. To prepare a balance sheet and income statement for each Debtor solely for the purpose of complying with the monthly operating requirements applicable in the Debtors' Chapter 11 Cases and the instructions provided by the Office of the U.S. Trustee, the Debtors made certain adjustments to their consolidating balance sheets, including but not limited to netting or reconciling certain intercompany balances, adjusting cash balances to remove negative balances, and associating certain assets and liabilities with the reasonably appropriate Debtor entity even in certain cases where such assets and liabilities were associated with another entity in the Debtors' consolidating trial balances.

Accounts Receivable and Accounts Payable. Cash is received and disbursed by the Debtors in a manner consistent with the Debtors' historical cash management practices, as described in the Debtors' *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue Using the Cash Management System, (B) Maintain Existing Bank Accounts, Business Forms, and Books and Records, and (C) Continue Intercompany Transactions, (II) Granting Administrative Expense Status to Postpetition Intercompany Transactions, and (III) Granting Related Relief* [Docket No. 5] (the "Cash Management Motion"), filed on April 17, 2026.

Part 1. Cash Receipts and Disbursements.

- As more fully described in the Cash Management Motion, the Debtors maintain and operate a centralized cash management system. In the ordinary course of their business, the Debtors that maintain the Debtors' cash management bank accounts may make payments on behalf of other Debtors and non-Debtor affiliates, creating intercompany balances in the Debtors' accounting system.³ Such intercompany transactions have been excluded in accordance with the MOR guidelines.
- In the ordinary course of business, the Debtors and their Non-Debtor Affiliates engage in routine business transactions with one another (collectively, the "Intercompany Transactions"), which result in intercompany receivables and payables (the "Intercompany Claims"). The Intercompany Transactions (including with Non-Debtor Affiliates) are an essential component of the Company's operations and encompass intercompany activities such as the intercompany sale of tangible goods, intercompany provision of administrative and management services, transactions pursuant to certain documented intercompany agreements such as certain tax sharing agreements, payments on account of licenses of certain intellectual property, and other similar cross-enterprise financial arrangements.
- As part of a large, complex multi-national organization, the Debtors have memorialized certain ordinary course Intercompany Transactions via various intercompany notes between Debtors or between Debtors and Non-Debtor Affiliates (individually and collectively, the "Intercompany Notes"). These Intercompany Notes contain arms-length terms and conditions with periodic, documented cash interest servicing, typically annually, as set forth in the agreements.
- Cash Receipts and Disbursements presented herein relate to actual activities for the period beginning August 1, 2026 through August 5, 2026.
- Cash Receipts and Disbursements are presented based on the disbursing or receiving entity

³ Such intercompany transactions are described in more detail in the Cash Management Motion.

into which the cash was received or from which the cash was disbursed.

Part 2. Asset and Liability Status.

- *Postpetition payables (excluding taxes).* Postpetition payables figures have been estimated using commercially reasonable efforts by examining outstanding payables that were received in the Reporting Period and estimating other accrued expenses. As a result of the adjustments necessary to prepare information on an entity-by-entity basis, certain estimates and prorations were used to determine the amounts of postpetition payables to include for each Debtor entity. For the avoidance of doubt, all amounts and classifications are subject to material adjustments. Listing a claim as secured, priority, or unsecured does not constitute an admission by the Debtors of the legal rights of the claimant.
- *Postpetition taxes payable.* Postpetition taxes payable amounts include estimated sales tax based on sales during the Reporting Period.
- *Prepetition priority debt.* The Debtors have not historically and do not now maintain records of any claims entitled to priority under the Bankruptcy Code.
- *Prepetition unsecured debt and total liabilities (debt).* The Debtors have made commercially reasonable efforts to determine prepetition and postpetition liabilities by Debtor entity for purposes of the MOR. Because, as noted above, the Debtors have historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtors continue to prepare and report financials in the ordinary course of their business, certain estimates and prorations, including a preliminary determination of liabilities subject to compromise, were used to determine the amounts of prepetition payables to include for each Debtor entity. As applicable, prepetition unsecured debt set forth in line *m* of Part 2 of the MOR is comprised of all prepetition liabilities *less* the prepetition secured debt set forth in line *k* of Part 2 of the MOR.

Part 5. Professionals.

- No professional fee payments were authorized or made by the Debtors during the Reporting period.

Part 6. Postpetition Taxes.

- For certain of the Debtors, as applicable, postpetition employer payroll taxes accrued (though are not yet due). The accrued payroll tax set forth on line *c* of Part 6 of the MOR reflects accrued employer payroll taxes in respect of the Debtors' July 2026 payroll process. For the avoidance of doubt, the Debtors are current on all payroll taxes, and any amount shown on line *c* of Part 6 of the MOR, as applicable, represents payroll taxes that have accrued but are not yet due.

Part 7. Questionnaire.

- Question *a*. The Bankruptcy Court entered various orders granting the First Day Motions (the "First Day Orders") which authorize the Debtors to make certain payments on account of prepetition obligations. The First Day Orders authorize the Debtors to, among other

things, pay (a) all prepetition Trade Claims (as defined in the applicable First Day Order) in the ordinary course of business, (b) employee wages, salaries, other compensation, and reimbursable expenses, (c) insurance obligations, (d) certain taxes, fees, and regulatory obligations, and (e) certain prepetition customer programs obligations. Where applicable, details of these payments have been delivered to the required notice parties pursuant to the reporting requirements contemplated by the applicable First Day Orders. Debtors that have made payments on prepetition obligations as authorized by the First Day Orders have answered “Yes” to Question *a* of Part 7 of the MOR, accordingly.

- Question *c*. Consistent with the Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue the Compensation and Benefits Programs; and (II) Granting Related Relief [Docket No. 64] (“Wages Order”) approving the Debtors’ Emergency Motion for Entry of an Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue the Compensation and Benefits Programs, and (II) Granting Related Relief [Docket No. 8] (the “Wages Motion”), Debtors HSN, Inc., The Cornerstone Brands Group, Inc., and QVC, Inc. have made payments related to ordinary course wages, benefits, and authorized travel and expense reimbursements to insider employees.

Question *g*. In connection with the Debtors’ commencement of these chapter 11 cases, the Debtors filed the Debtors’ Emergency Motion (I) Authorizing the QVC Debtors to (A) Enter into the DIP LC Facility (B) Fund the LC Cash Collateral Account, and (C) Grant Liens and Provide Administrative Expense Claims, (II) Modifying the Automatic Stay, (III) Scheduling a Final Hearing, and (IV) Granting Related Relief [Docket No. 53] (the “DIP LC Facility Motion”), which requested approval of a \$300 million letter of credit facility (as further described in the DIP LC Facility Motion) (the “DIP LC Facility”). The Bankruptcy Court approved the DIP LC Facility Motion on an interim basis in the Interim Order (I) Authorizing the QVC Debtors (A) to Enter into the DIP LC Facility (B) Fund the LC Cash Collateral Account, and (C) Grant Liens and Provide Administrative Expense Claims, (II) Modifying the Automatic Stay, (III) Scheduling a Final Hearing, and (IV) Granting Related Relief [Docket No. 79] (the “Interim DIP Order”) and on a final basis in the Final Order (I) Authorizing the QVC Debtors (A) to Enter into the DIP LC Facility (B) Fund the LC Cash Collateral Account, and (C) Grant Liens and Provide Administrative Expense Claims, (II) Modifying the Automatic Stay, and (III) Granting Related Relief (“Final DIP Order”) [Docket No. 273]. QVC, Inc. has responded “Yes” to question *g* of Part 7 of the MOR for QVC, Inc., reflecting that QVC, Inc. is the borrower under the DIP LC Facility. A list of the Debtor guarantors under the DIP LC Facility is included in the DIP LC Facility Motion.
